## BAI Webinar – the speakers

**Annette Olschinka-Rettig** has been Managing Director of the Bundesverband Alternative Investments e.V., Bonn, since 2019. She is responsible for the topics of the market (including cooperation with members and investors) as well as public relations, science and events. She has many years of experience in investment and financing matters. From 2014-2019, she was active in the Mergers & Acquisitions division of BASF SE in Ludwigshafen on both the sell side and the buy side and previously held the position of Head of Asset Management, responsible for the assets of BASF Pensionskasse VVaG and BASF Pensionstreuhand e.V. . Until her transfer to asset management, she was responsible for a variety of financing issues at BASF's Treasury department, as well as providing support for German and international subsidiaries, including project financing. From 2001, Ms. Olschinka-Rettig worked in the Corporate Finance department of Wintershall Holding AG, which at the time was a subsidiary of BASF in the oil and gas business. After completing a banking apprenticeship and studying business administration at the University of Würzburg, she began her career with Deutsche Bank in Berlin.

**Dave Lowery**, Senior Vice President, Head of Research Insights, Preqin

Dave has worked in a variety of roles within the finance industry in a career spanning more than 20 years. Dave gained experience as a multi-asset portfolio manager for UHNW private clients, as well as insurance companies and pension funds. He also worked as an equity analyst on both the buy-side and sell-side, has managed real estate portfolios and has covered geographies around the world, frequently appearing on CNBC Squawk Box and Bloomberg TV. More recently, Dave has worked for HM Treasury in its Infrastructure UK division, led Asia Pacific and alternative real estate research at AXA IM – Real Assets and set up a Strategy Research function at NTT Global Data Centers, the world's third largest data centre operator.
